

Instant Pot® IP-CSG60

Programmable Pressure Cooker 6L/6.33Qt.

Instant Pot® IP-CSG60 is a **5-in-1 programmable, multi-function cooker appliance**. It combines the functions of a **pressure cooker, slow cooker, rice cooker, steamer and warmer** in one cooker. With Instant Pot®, why do you need 5 different cookers to clutter your kitchen space? The Instant Pot® IP-CSG60 is customized for the North American market, serving all your traditional, healthy and ethnic cooking styles. With its intelligent cooking programs, stew, chili, or even multigrain rice can be cooked with one touch of a smart button. Instant Pot® takes care of the details such as not burning the food when cooking in the 3-ply stainless steel inner pot. Instant Pot® offers you one of the best cooking methods to preserve the nutrition and flavors in the food.

Instant Pot® is kitchen friendly, and produces no noise and virtually no steam in the kitchen. Its elegant and durable design makes it easy to clean and pleasurable to use for the years to come.

Instant Pot® is a must-have cooking appliance in your **fast-paced, health-oriented and green-conscious** life style.
